# 08 Account Holder acceptance

## Important information

Please read these terms and the Critical Information Summary documents we give you. The Critical Information Summary contains important information about your Plan.

### General

- You are responsible for any use of your Telstra service, whether you authorise it or not.
- Telstra's Our Customer Terms ([telstra.com.au/customer-terms](http://telstra.com.au/customer-terms)) apply to the services relevant to your plan.
- From time to time we may make changes to your plan, including price and inclusions, or we may move you to a new plan (which may cost more). With no lock-in, you can change your plan once a month or leave. If you leave, just pay out your device, accessories or services in full. If we change your plan or move you to a new plan:
  - a) We'll give you at least 30 days' notice before making changes or automatically moving you to the closest available plan.
  - b) If you don't like the changes or the new plan, you can choose a new plan (once a month) or cancel your plan. If you cancel your plan, you'll need to pay out the remaining cost of your devices, accessories or services in full.

### Existing services on your account

If you have existing shareable services on your account, and you connect a new, or change an existing shareable service to a Telstra Business Data Plan, we will automatically:

- change your existing eligible shareable services to have no excess data charges in Australia. This means that when you exceed your included data allowance your speeds will be slowed; and
- remove Business Demand Data from your existing eligible shareable services.

See Our Customer Terms for a full list of eligible services.

### Monthly Data Allowance

- Unused Monthly Data Allowance expires each month.
- Your Plan doesn't include any voice and messaging services, these services cost extra.
- After your included data allowance, data speeds are capped at 1.5Mbps (which is not suitable for HD video or high speed applications, and means that some webpages, social media content and large files may take longer to load) and may be slowed further during busy periods. FairPlay Policy applies. For use in Australia.
- Your Monthly Data Allowance can't be used overseas. Your Plan has an International Day Pass already activated which, for an additional charge per day allows you to make and receive unlimited standard voice calls/SMS and includes 200MB data for use each day (AEST) when traveling in eligible countries. If you use more than your included data allowance on your International Day Pass, we'll automatically add extra data to your service in blocks of 500MB for \$10. You will need to have a voice-capable device to access voice, SMS and MMS allowances Data usage overseas outside of eligible countries or if you opt out of International Day Pass costs \$3/MB (charged per KB or part thereof). International Data allowances cannot be shared.
- If you purchase goods, services or content from a third party via your Telstra bill, we will debit the charges for these items from your account. If you don't pay us when due, we may cancel or suspend your service.

## Early Termination Charges (ETCs) and other charges

There are no ETC's payable with this plan. If you cancel early or move to an ineligible plan, you will need to pay any remaining payments applicable to a Device Payment Contract or Accessory Repayment Option.

### StayConnected Advanced™

You must subscribe to StayConnected Advanced™ at the time of purchasing a new tablet from a Telstra store or dealer on a repayment option or outright (and paid in full) on an eligible Telstra Business Plan. You may exchange, replace or repair your device twice in each 12 month period, subject to the payment of a service fee of up to \$190 each time, or a screen repair fee of \$99 for eligible tablets. An exchanged or replaced device is usually a refurbished device that is the same model as your current device or a similar device. If you have the right to a replacement under a warranty or consumer guarantee (excluding screen replacement), you won't be charged a service fee. You must return your existing device within 14 days of receiving your refurbished device, or pay a Device Non Return Fee. You may also be charged an Inoperable Device Fee if you return a locked or security-enabled device. If you purchase over the phone, a 15 day cooling off period will apply, however you will not be refunded any fees if you exchange or replace your device in this time.
